

Nutrition & Physical Activity State Plan

Children's Special Health Services

Denise M. Brunett, Children's Special Health Services Manager

Activities Relevant to State Plan to Prevent Obesity: Children's Special Health Services (CSHS) is located in the Family and Community Health Bureau of the Montana Department of Public Health and Human Services. The program is charged by the Federal Maternal Child Health Bureau to: "Support development and implementation of comprehensive, culturally competent, coordinated systems of care for children and youth who have or are at risk for chronic physical, developmental, behavioral or emotional conditions and who also require health and related services of a type or amount beyond that required by children generally."

Services/Recipients: Children with Special Health Care Needs, Newborn Screening and Genetics Program of MT

State Plan Settings: Healthcare

Gaps and Concerns: Educating the general public, assessing needs of people of Montana, and promoting prevention policies and programs in Montana.
